Halloween Cupcake Decoration Bags

Choose which bag you would like and let us know if you would like any extras. We will fill your bag ready for pick up and payment from the shop door. All bags contain an instruction sheet and a tag to personalise if you wish to give as a gift. If you would like, we can supply the undecorated cupcakes and buttercream for you too. If you want to make more than 4 cupcakes, this can be arranged, or you can go for 2 bags with different designs. The bags work well for sharing, ie 2 cupcakes each for 2 children.

All optional extras are shown at the bottom of the page to allow you to custom make your bag, but here are some popular options:
